

## Matters about Home.

Attention Union Central Committee.  
In consequence of Mr. Murdoch's  
Lecture this evening, the meeting of  
the Central Committee is postponed until  
Saturday Evening, Sept. 12th, when  
every member is requested to be present  
at the League Rooms, at 7 1/2 o'clock.  
JAMES BROWN, Chairman.

### NOTICE.

Hillsboro Light Cavalry will meet on  
Friday, 11th inst. at 8 o'clock A. M.  
for target practice.

By order of M. BUCK, Capt.

The public will bear in mind  
that Jas. E. Murdoch, Esq., the cele-  
brated Elocutionist, will read his Patri-  
otic Poems this (Thursday) evening, at  
the Court House. As the proceeds are  
for the benefit of the "Soldiers' Aid So-  
ciety," we hope to see the house filled.

SPORT AHEAD!—One of the most in-  
teresting features of the Fair will be the  
Grand Sweepstakes Trotting Match, to  
harness, best two out of three, which  
will come off to-morrow afternoon, un-  
der the management of Capt. JAMES  
CLARK. Thus far we have heard of the  
following entries:

Mr. Bishop, of Cincinnati, "Alice."  
Jas. Clark, of Hillsboro, "Lady Fox."  
Do do "Lady Gay."  
J. H. Wright, do "Albion."

Other entries are expected. Prize  
\$100. The public may rest assured of  
enjoying a rich treat. Go in, "Gus."

HEIDRICH'S CORNET BAND, from Cin-  
cinnati, has arrived, and will furnish  
soul-stirring music to those who may  
visit the Fair to-day and to-morrow.—  
As this is one of the best Bands in the  
country, much interest will be added to  
the Fair. We understand that a Con-  
cert will be given to-morrow evening  
and a Grand Soiree the evening follow-  
ing. Those of our citizens who desire  
to assist in defraying the expenses of  
the Band, will hand their contributions  
to JAMES CLARK, Esq., who has  
possession of the subscription list.—  
Over two-thirds of the amount required  
has already been subscribed. Let the  
deficiency be made up at once.

Capt. Buck's company of "Hillsboro  
Light Cavalry" paraded last Saturday  
afternoon in uniform, and with their  
new carbines, which they have just re-  
ceived. They are progressing finely,  
and make a very handsome appearance.

Major Marley, Provost Marshal of  
this district, has collected up to this  
date, 435 horses and 19 mules, left by  
Morgan in his raid through the district.  
They have been turned over to Capt.  
D. W. McClung, A. Q. M. at Cincinnati,  
to be sold for the benefit of the Gov-  
ernment. We understand this is the  
largest number yet returned from any  
district in the State. Major Marley  
thinks he will collect 150 more, making  
the whole number about 600.

Uniforming the Volunteer Militia.  
Petitions are in circulation and have  
been extensively signed, asking the  
County Commissioners to make an ap-  
propriation to aid in obtaining uniforms  
for the Volunteer Militia. We think  
the justice of such an appropriation  
should be apparent to all, and hope the  
prayer of the petitioners will be grant-  
ed. The members of the volunteer  
companies have, with a commendable  
spirit of patriotism, entered into an or-  
ganization for the purpose of defending  
the lives and property of their fellow-  
citizens in case of any future invasion  
of our State or country. The whole  
people of the county will share in the pro-  
tection which a well-drilled and armed  
military force will afford them in such  
an emergency, and it is but fair that all  
should contribute something towards its  
equipment.

Many of the members of these com-  
panies are unable to buy their own  
uniforms, though willing to give their time  
in acquiring the drill and discipline  
necessary to make them efficient soldiers.  
A portion of our citizens have sub-  
scribed liberally to aid them in the pur-  
chase of uniforms, but the great major-  
ity have given nothing. It is therefore  
but right that the deficiency should be  
made up by an appropriation out of the  
county funds, thus requiring every citi-  
zen to bear his share of the expense.

We understand the petition will be  
presented to the Commissioners, who  
will be in session, on Friday next, Sept.  
11th, and all persons who have sub-  
scription papers containing signatures  
are requested to bring them in by that  
day.

SALE OF SHEEP AND OTHER STOCK.  
—Messrs. N. & S. Amen, will sell at their  
farm near Marshall, on Tuesday, Oct.  
1st, 500 head of fine sheep, horses, cat-  
tles, mules, &c. For particulars see  
handbills.

Come Along with your Wood  
The undersigned will receive propo-  
sals for delivering to them in Hillsboro  
during the month of October next, sixty  
cords of wood, dry, and suitable for  
stove, to be delivered by the 24th inst.  
By order of "Education Board."  
SAM'L E. HIBBEN, Sec'y.

## Grand Rally at Greenfield.

The most extensive preparations are  
being made by the citizens of Greenfield,  
and of the surrounding counties, to  
make their meeting on the 16th and  
17th the largest ever held in Ohio. Ma-  
ny of the prominent speakers of this  
State, Kentucky and Indiana, have ac-  
cepted invitations to be present. Glor-  
ious clubs, with a large number of the "good  
old Union regiments" are being prepared  
in the adjacent towns for the occasion.  
The most cheering accounts from every  
direction indicate that this meeting will  
be a triumph. Let the populace turn  
themselves loose on this occasion and  
go and see the largest collection of Uni-  
on men and women ever collected in  
Ohio. Two flags will be presented to  
the largest and next largest delegations  
from any Township of the surrounding  
counties.

Fire in Leesburg.  
Mr. EDWARDS, the barn belonging to  
Mr. Joseph Adams of this place, was  
yesterday entirely consumed by fire.—  
There was one hundred and twenty-five  
bushels of wheat in the barn, of which  
only about twenty-five bushels were saved,  
besides harness, saddles, a fine sleigh,  
farming utensils, &c. Mr. Adams' loss  
will not fall short of \$400.

The fire originated in a straw pile  
adjoining the barn, by a neighbor's boy  
playing with fire. Another solemn  
warning to parents and others having  
the control of children, not to allow  
them to play with fire or percussion  
matches. Fortunately the air was per-  
fectly calm, or the damage would have  
been terrific. Had there been a strong  
north or southwest wind blowing at the  
time, at least half the town would have  
been consumed.

A.  
Leesburg, Sept. 8th.

## Union Meeting at New Vienna.

There will be a grand Union Basket  
Meeting at New Vienna, on Friday, the  
25th of September. All who are interest-  
ed in the cause of their country and in  
favor of sustaining the old Flag, are re-  
quested to turn out. A beautiful  
grove has been selected for the occasion,  
and ample provisions are being made to  
accommodate all who may come. We  
wish townships to come in by delega-  
tions. A fine flag has been procured,  
which will be presented to the Town-  
ship sending the largest delegation.

Gov. Tod, Hon. L. D. Campbell, and  
Hon. John A. Bingham, have promised  
positively to be present and address the  
people.

Many other fine speakers have been  
invited and some will undoubtedly be  
present.

JNO. MATHEWS,  
J. C. GREEN,  
Committee.
